

## Notice

The December 2005 newsletter was merged into the Winter 2005-06 newsletter due to a 4-H staff vacancy. As you know, Amy Harder resigned in August 2005, to pursue her Ph.D. We are in the process of filling her 4-H Agent position. Hopefully the new agent will begin in February 2006. Our plan is to return to six *4-H Clover Gazette* issues per year, once we are again staffed at 100%.

Thank you for your patience in this time of transition.

Sincerely,

Dee Hasenkamp, 4-H Secretary  
Adrian Card, Extension Agent, Agriculture & 4-H Youth  
Deryl E. Waldren, Extension Agent, 4-H Youth and Natural Resources
